I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I would be very upset if I could not get my compounded hormone medication. I have tried through Michigan pharmacies and my insurance company (HAP) to find someplace in my area to get this compounded medication and have not been able to find any other alternative. Please keep in mind customer satisfaction.

Thank you.
